

A Society of Souls®
The School for Nondual Healing and Awakening™

**NOW ACCEPTING APPLICATIONS TO
NONDUAL KABBALISTIC HEALING®**

**The Revolutionary Work of Jason Shulman
Four Year Training Program
Taught by his Dharma Heir
Jinen Brenda Carter Blessings**

New class begins October 2013 in the Netherlands

Unless we change, we cannot teach others to change. Unless we develop a kind heart toward ourselves, we cannot guide others to the same state. Only to the extent we are involved in healing our own body, mind and soul can we help others to do the same...I have always wanted people to awaken to their true nature – to find God, if you will – and then...have a job.

- Jason Shulman, Founder of A Society of Souls

Over 18 years ago, Jason Shulman created A Society of Souls – a school, a path of healing and a community dedicated to the awakening of the human being, whose true nature is compassionate action. He is a unique combination of modern healing master, Kabbalist and recognized Buddhist teacher. The work of ASOS seamlessly integrates theistic and non-theistic spiritual thought and practice, uniting work on the personal self – with all its suffering and beauty – with learning how to reside in the spaciousness of the Absolute.

Brenda has a highly developed awareness of human nature, paired with kindness, compassion and great humor. Her deep interest and love is the healing of the human being, the one who has suffered and struggled and wrestles with the nature of Reality As It Is.
